

Carol Amich Cluny Angel

Many thanks to Carol Amich for sharing this pattern with the online tatting class. As mentioned last week Mimi Dillman has a special fondness for cluny tatting and she has prepared models of Carol's Angel.

Begin with a cluny tally of 12 wraps.

R 3 - 1 - 1 - 1 - 1 - 3 RW

R 8 - 4 + (join to the picot just made) 8 (this makes a dimpled or heart-shaped ring)

CH 1 (to bring the rings together)

End with a second cluny tally of 12 wraps and secure ends.
